

Latin America Missionary Retreat • Pastor Ted Krey

The last week of August, eighteen of our deployed missionaries/missionary families from the Cayman Islands, the Dominican Republic, Jamaica, and Peru gathered in the Dominican for a time of encouragement, Bible study, worship, and relaxation, as a part of our annual Latin American and Caribbean retreat. We are thankful for Rev. Brian Saunders and his wife, Karen, who were present as our guest speakers. Rev. Saunders, president of the LCMS Iowa District East, led a study on private confession and absolution. It is a blessing to know that our Lord Jesus Christ cares for us in such a profound and personal way so as to speak words of Gospel into our ears!

New missionaries present at the retreat included:

Rev. Joshua & Amanda Gale and family – Peru
Rev. Lief & Nancy Haskarl and family – Cayman Islands
Deaconess Gail Ludvigson – Dominican Republic
Deaconess Rachel Powell – Dominican Republic
Rev. Herb & Markie Burch - Peru

Other missionaries called to the field in 2014 include:

Rev. James & Angela Sharp and family - Uruguay
Rev. David & Shelee Warner - Spain
Rev. Joel & Clarion Fritsche and family - Dominican Republic
Rev. Matthew & Heather Ruesch and family - Puerto Rico
Rev. Richard & Gemma Schuller - Puerto Rico
Tyler McMiller - Mexico
Vicar Willie & Angelica Grills and family - Peru
Rev. Daniel & Kathryn Conrad and family - Mexico
Rev. Ed & Deaconess Cherie Auger – Nicaragua/Honduras/Costa Rica
Rev. David & Julie Faulkner and family - Uruguay

What a privilege and joy it is having new missionaries go in Jesus' Name to preach His Gospel and carry His gifts to foreign fields. We invite you to prayerfully consider partnering with us.

Back to School • Pastor Ted Krey

At the beginning of August the new school year began once again at Concordia Lutheran School in Palmar Arriba and Concordia Lutheran Preschool in Licey, with the arrival of the teachers, and planning and preparations. Preparations also included two full weeks of catechism studies with the teachers. For the students we are planning studies based on "Solo por la Fe", and also will be using the "100 Bible Stories" book for the year.

August 18th was the big back-to-school day for the students. This year marks our 5th year in Palmar and 2nd year in Licey! School attendance is still around 130 students for our Preschool – Grade 7 program in Palmar, and the preschool in Licey doubled in numbers this year with 80 students!

Please keep all of the teachers and students in your prayers. Here is Morayma with the JK class in Palmar (above), and students enjoying the playground equipment in Licey (left). Please also keep us in prayer as we begin to talk about plans to build a church and preschool in Licey. Currently our church/preschool is housed in a rented 3-bedroom home. With 80 kids this year, and 10 already turned away in the first month, we are bursting at the seams!
