

Meet Concordia Lutheran Mission

Concordia Lutheran Mission exists to share the Good News of Jesus in Lebanon County, PA. We are excited to have been doing that in many ways recently: On Saturday, January 26th, members from both Mount Calvary, Lititz and Concordia canvassed over one hundred homes in a neighborhood in Myerstown. We told our neighbors about our church and left informational door hangers.

On Saturday, February 2nd, members of Concordia volunteered at Evangelical Seminary's annual Scholarship Run in Myerstown. Concordia is blessed to use Evangelical's chapel for worship. In addition to volunteering, Concordia had an information booth set up at the run. Both of these opportunities gave us the chance to make many community connections and tell many about our church.

On Sunday, March 3rd, Concordia welcomed Brad as the newest member of our mission! Pictured are some of our members celebrating Brad's reception with cake at Bible study.
