Meet Tree of Life Lutheran Church

Tree of Life is a congregation in Inverness, Florida. They began meeting in a member's home with four families who gathered around Bible studies, music, and singing. The church has grown and now needs a larger meeting place and a permanent location. They have a new pastor, Rev. Mark Steinke. Tree of Life is a wonderful example of how God can work in a community of people to grow a church and serve a community through that church.

This congregation is very community focused, with a "Kids in Care" program where they serve local foster parents and children in foster care by giving them fun, safe activities and respite. They also help support a dental clinic for the community where veterans and people experiencing homelessness can receive free dental care. Tree of Life is excited to grow and share their love with others around them!
