

Subject: ADF Church Alliance and English District Partnership

Dear Pastor

ADF Church Alliance is a membership program that provides legal help, so you can freely preach the Gospel and operate your church in accordance with Christian principles. Members get direct access to attorneys, resources, and more – its virtually all inclusive for religious freedom issues. Member benefits include:

- **Governing document review**
 - We review your church constitution, bylaws, employment documents, and other policies from a religious liberty perspective. Then, we make recommendations on how you can provide additional protection to your church.
- **Access to Attorneys**
 - Whenever you have legal questions, you can consult directly with an ADF attorney.
- **Legal Resources**
 - You can access a members-only website with on-demand video trainings, sample documents, legal guides, trending news on cases, and more.
- **Pro Bono Representation**
 - If necessary and appropriate, we can represent your church in court at no additional cost to you.

When you apply today, you can get a 20% discount on this already affordable program (use promo code ENGDISTLCMS when you apply).

Visit our [partnership page](#) to learn more. Or, Sherri Huston, a regional director at ADF Church Alliance, would be happy to speak with you about the ways they can serve your church. You can contact her at 480.206.9164 or [click here](#) to schedule a meeting.

We at English District strongly encourage you to talk with Sherri and prayerfully consider membership for your church.

Don't wait until you're in the midst of a religious liberty legal challenge – now is the time to act.

In Christ,
