# Itinerary

## Friday, September 8

**Arrive in Bucharest** and transfer to your accommodation. This evening there will be an introduction to the tour program.

## Saturday, September 9

After breakfast, we will go on a **city tour of Bucharest**. You will have some free time in the afternoon.

## Sunday, September 10

We will attend worship at **St. Paul's Church**. The afternoon will consist of a seminar/workshop to include a presentation by **Pastor Andrew Fedder** and others about the history of Lutheranism in Romania as well as the present status of the Lutheran Church in Romania. We will have selected study tour participants speak on their ministry.

## Monday, September 11

This will be a day for us to **serve the Romanian church community** with several options which may include participating or leading (with translator) a bible study, conducting a health clinic (blood pressures, mental health issues, etc.). We will also have a personal walking tour of Bucharest with our host, Pastor Andrew Fedder.

## Tuesday, September 12

This morning we will travel **to Brasov**, a city rich in history and tradition. Here we will meet with **Pastor Trifa** and learn about his mission church. The afternoon will be a time for a workshop/ seminar, or possibly a service project suggested by Pastor Trifa.

## Wednesday, September 13

The morning will include a visit to the **Black Church**, the largest gothic church between Vienna and Istanbul. This historical church, originally named the Marienkirche, was renamed after a great fire leveled most of the town and blackened the walls of the church. We will also visit **Tampa Mountain**, where you can take a cable car or hike to the top of the mountain. This afternoon we will tour the sites around Brasov, including **Bran (Dracula's) Castle**.

## Thursday, September 14

Today we will travel back to **Bucharest**. The afternoon will be yours to shop, rest, and enjoy some free time. We will have a farewell dinner and wrap up to our tour.

## Friday, September 15

**Departure day**
