

We read in Hebrews 11:1, *"Now faith is being sure of what we hope for, and certain of what we do not see."*

How does this verse from Scripture apply to our Mission 1-1-1 weekly giving?

We hope for the unbelievers and unchurched in our world that one day they might be saved by grace through faith and join us in the Holy Communion of the angels and archangels and all the company of heaven that evermore sing praises to our God.

Through the power of the Holy Spirit, our dollars are meant to help expand God's Kingdom on this side of heaven, anticipating its fulfillment in the new heaven and the new earth.

This is what our eyes of faith see...and why we continue to give.
