

Recipients of the 1-1-1 Dollar for Mission funds are listed on the ministry's webpage. The 2024-25 recipients, the Pittsburgh Lutheran Deaf Ministry (PLDM) and the Montreal Forum shared a description of their identified mission fields.

Members of PLDM are "using [their] hands to bring the Gospel of Jesus Christ to the Deaf community of Pittsburgh (PA)."

The Montreal Forum is made up of individuals representing church bodies, districts, mission groups, and congregations that support the work going on at Ascension Lutheran Church, Montreal, QC.

Members of the Montreal Forum recognize that "within a 15-minute walk of Ascension's door live 30,000 people, over 90% of whom are immigrants or the children of immigrants." They ask, "How will they hear the good news of Jesus unless the Word is proclaimed among them?" With our Mission 1-1-1 giving, we are doing more than just putting money in a box. We are making it possible to serve those who are in need, the disadvantaged, or the underserved regarding the Good News of Christ. We look forward to seeing the mission work done for His Kingdom in the coming year.

Matthew 6:21 "For where your treasure is, there your heart will be also."
