

What does it take for us to remember something? Do we leave it in the same place every time, so that it's easily found when we need it next? Do we keep things together that belong and are used together, so that they aren't scattered and we aren't scrambling the next time? In both cases, a positive intent is involved in how we remember.

It is well for us always to remember how our Lord remembers:

- *For I will forgive their wickedness and remember their sins no more.* Jeremiah 31:34
- *See! I have engraved you in the palms of my hands; your wails are ever before me.* Isaiah 49:16

Maybe it is that our names are engraved under the nail prints that our sins placed on His palms. Perhaps we would do better to remember a dollar every week for 1-1-1 Dollar for Missions when we remember the grace to which our actions are responding.
