

*"Train up a child in the way he should go, and when he is old he will not depart from it." Proverbs 22:6*

Is 1-1-1 Dollar for Missions a family experience in your home? At your church? If we are to train up our children in the way they should go, their participation in such a mission project can be a part of that training.

All children can learn about the Mission 1-1-1 box and its purpose: when each baptized member gives a dollar per week, it yields a substantial offering for growing God's Kingdom. Older children who earn money can be encouraged to give regularly right alongside their parents, while younger children can participate by simply observing their parents or helping put a dollar in the box at church. All families can gather around the Scripture and the messages that support Mission 1-1-1, either at the church or at home. Any of these efforts could contribute to a child's lifelong training in stewardship and evangelism, regardless of age.
