

*"And let us consider how we may spur one another on toward love and good deeds..." Hebrews 10:24 (NIV)*

One way in which we may spur one another on is to commit to a course of action and then follow it through. We are now two months into our September 2025-August 2026 1-1-1 Dollar for Missions campaign. Please assess how it is currently going at your congregation.

1. Is your Mission 1-1-1 box clearly marked and in a high-traffic area?
2. Are people bringing their dollars consistently on a weekly basis?
3. Have you chosen a lay leader who provides regular communication? Are they monitoring results and progress?
4. Are you saturating your Mission 1-1-1 campaign with Scripture and surrounding it with communication in church bulletins and newsletters? Are you utilizing verbal check-ins during announcements?

If all of these are happening, we praise God for the love and good deeds with which He is blessing your congregation. If these things are not happening consistently, please consider using this short list as a way of spurring each other on.
