

*Only let us live up to what we have already attained. Philippians 3:16*

As we begin the second half of our Mission 1-1-1 campaign for 2025-26, this verse is wise counsel. As mentioned last week, we now have 27 congregations that are actively participating and contributing to this important mission work. If you are one of these congregations, thank you, praise God, and please continue with your visible displays and continued messages. If you haven't already, now is a great time to start the conversation of how your congregation can participate in this very simple ministry.

Galatians 5:25 tells us, *“Since we live by the Spirit, let us keep in step with the Spirit.”*
