

The National March for Life Canada will take place on Parliament Hill in Ottawa on Thursday, May 14. Participants will gather on the Hill at noon, the pre-March rally will begin at 12:30 PM, and the March itself through downtown Ottawa will follow at 1:30 PM. Testimonials will follow at 2:30 PM.

Prior to the March, LCMS and Lutheran Church—Canada participants will gather at Christ Risen Lutheran Church, 85 Leacock Dr., Kanata (Ottawa), ON K2K 1S5, at 9:30 AM for a pre-March breakfast, with Matins to follow at 10 AM. The group will then proceed to the March and join together under the Lutherans for Life Canada banner. LCMS participants are encouraged to wear their green LCMS Life Ministry hats and bring their placard signs (or any sign of their choosing).

Right to Life Associations in Windsor, Chatham, London, Kitchener, and Toronto will be offering bus rides to the March; note that these will bring you to and from the March itself, not any of the pre-March events.

For those in the Ottawa area, or who wish to spend more time there, the National March is only one in a series of pro-life events to be held that week, more detail is available at <https://marchforlife.ca/week-at-a-glance-2026/>.
