

We read in Ephesians 4:4-5, *"There is one body and one Spirit—just as you were called to the one hope that belongs to your call—one Lord, one faith, one baptism..."* We begin with the "end goal" in mind in two ways:

First, as we reach the end of August, it is time to conclude the 2025-2026 Mission 1-1-1 campaign. Please collect, compile, and send all of your most recent contributions to the District office by August 31.

You may pay online to ensure timely receipt.

Second, let us be mindful of the true end goal — unity in the body of all believers with Christ as our Head, in and as the Word and Sacrament. This remains the thrust behind Mission 1-1-1.

We begin anew in early September for our 2026-2027 Mission 1-1-1 campaign. We look forward to communicating with you throughout this new campaign year and pray that each member prayerfully commits to \$1 a week during this time frame. More will follow in *Servant* to *Servant* and the English District website as we progress through the next campaign year.

As Hebrews 12:2 says, *"Let us fix our eyes on Jesus, the author and perfecter of our faith."*
